

AGENDA

GIS Steering Committee Meeting
Wednesday, April 4th, 1:00-3:00pm
Mammoth Lakes – Conference Room

1:00 >> Project Review – Where we’re at!

Review minutes from previous meetings, and *briefly* discuss where we currently stand in the process.

1:15>> ArcIMS Powerpoint Presentation

Presented at the Nevada GIS Conference, March 19-21. Basic overview of software we will be using for this project.

1:35>> Discuss “ISSUES”

Look over current issue list. Are there more that we have not yet addressed? Address all that currently exist.

2:15>> Review & Discuss Timeline & Budget

Look over the draft Project Scoping Process and make changes as needed.

2:45>> Where do we go from here?

What’s next?

3:00>> Plan Next Meeting & Adjourn
